v. Central Examination facility:

Being an Autonomous College, Majlis Arts and Science College (Autonomous), Puramannur conducts all examinations and declares results independently, in full compliance with the regulations of the University Grants Commission (UGC) and the University of Calicut.

A fully-fledged Examination Wing functions under the supervision of the Controller of Examinations, assisted by two Deputy Controllers of Examinations. The Wing ensures the smooth, transparent, and efficient conduct of all examination-related activities, including registration, question paper setting, evaluation, and timely publication of results.

The College possesses comprehensive infrastructure to support examination operations, including a dedicated examination hall, conference hall, high-speed internet connectivity, and advanced in-house printing facilities for question papers, answer booklets, and other confidential materials, ensuring integrity and confidentiality at every stage

vi. Online Examination facility:

All core examination processes—such as registration, hall ticket generation, result publication, and the conduct of examinations for Ability Enhancement Courses (AEC)—are seamlessly managed through a dedicated online examination management system. For certain batches, the entire examination cycle, including registration, hall ticket issuance, question paper distribution, evaluation, and result declaration, is efficiently executed in online mode, ensuring transparency, accuracy, and convenience for both students and faculty.

vii. Barrier free built environment for differently abled and elderly persons: The College has provided Barrier Free Environment for differently abled persons in our college.

The facilities include the following but not limited to

- Dvyangjan Policy
- Handrails
- Ramps
- Dvyangjan Saathi washrooms
- Wheelchairs
- Dvyangjan rest room
- Lift
- Screen reading software

viii. Fire and Safety:

The College has maintained all possible Safety and Security Measures on the college campus including round-the-clock security, CCTVs at strategic locations, help desk system, handrails for staircases, fall protection system for verandah, fire extinguishers at various locations etc.

ix. Hostel facilities:

Majlis Arts and Science College provides excellent residential facilities for both male and female students within the campus. The Moulana Azad Women's Hostel, located on the college campus, has a total built-up area of 1,358 sq. m. It consists of 28 rooms with an intake capacity of 131 students. The hostel is managed by the College and provides comfortable boarding and lodging facilities exclusively for girl students. To ensure smooth administration, a Hostel Committee functions under the supervision of the Principal, and meetings are conducted regularly to review and enhance hostel management and student welfare. The Boys' Hostel has a built-up area of 2,031 sq. m., comprising 24 rooms with an intake capacity of 135 students. The hostel provides a safe and conducive environment that supports students' academic and personal development.

xiv. List of experimental set up in Lab**xv. Innovation cell:**

The Innovation and Entrepreneurship Development Centre (IEDC) of Majlis Arts and Science College (Autonomous) is a vibrant platform committed to nurturing a culture of innovation and entrepreneurship among students. The Centre empowers creative minds to learn, collaborate, and transform their innovative ideas into prototypes and viable business models.

IEDC actively promotes technology-driven startup ventures by providing students with essential resources, mentorship, and institutional support. A wide range of activities—such as workshops, webinars, E-talks, hackathons, and innovation competitions—are organized to inspire creativity and guide students from ideation to successful enterprise creation.

As mandated by the **Government of Kerala**, the Innovation Cell of the College functions under the guidance of two Nodal Officers:

1. Sri. Mohamed Jabir, Assistant Professor, Department of Computer Applications
2. Smt. Shahna M.B., Assistant Professor, Department of Management Studies

xvi. Social media cell:

We have a Media cell in our institution with Sri. Sreejith K, Assistant Professor, Media and communication department as Coordinator.

xvii. Compliance of ABC:

The College has complied with the requirements of the Academic Bank of Credit (ABC) as per the directives of the Ministry of Education (MoE), Government of India. The initiative is coordinated by Sri. K. Mohamed Haneefa, Controller of Examinations. Both the Institution and its students have registered accounts in the National Academic Depository (NAD) for maintaining their certificates and academic credits in digital form. This system

facilitates transparency, portability, and seamless transfer of academic credits, aligning the institution with the objectives of the National Education Policy (NEP) 2020.

xviii. Short video on infrastructure facility:

xix. Games and Sport facilities:

The college offers a wide range of sports and fitness facilities to promote physical well-being and team spirit among students. The campus is equipped with a modern athletics and fitness center, including a well-maintained gymnasium for strength and endurance training. Ample facilities are provided for both indoor and outdoor games such as football, volleyball, badminton, softball, handball, cricket, netball, korfbal, tug of war, rugby, basketball, table tennis, arm-wrestling, chess, and carroms. These amenities enable students to actively participate in recreational and competitive sports, fostering a culture of health, discipline, and teamwork within the college community.

xx. Teaching learning process:

The teaching–learning process at Majlis Arts and Science College (Autonomous) is designed to be student-centred, outcome-based, and aligned with contemporary academic standards. The college adopts a blend of traditional classroom instruction and modern pedagogical strategies, including ICT-enabled teaching, project-based learning, seminars, and collaborative activities that promote critical thinking and creativity. Faculty members regularly update their teaching methods to incorporate experiential and participatory approaches, ensuring that learners remain actively engaged. Continuous assessment, timely feedback, mentoring, and academic support systems further strengthen the learning environment, helping students to achieve academic excellence while developing essential skills for higher education, research, and professional growth.

18.16 Enrolment & Placement Details (Last 3 Years)

Enrolment:

No	Name of AICTE approved program	2023-24	2024-25	2025-26
1	BBA	69	120	120
2	BCA	55	100	100

Placement:

- Mohammed Thoyyib T K : Junior Software Engineer, Vuelogix Technologies Pvt Ltd, Kakkanad, Ernakulam-682037
- Muhammad Salman: Technical Assistant, Bahri and Mazroei Technical Systems, Al Khabaisi, Deira, UAE

The comparatively low placement record of the BCA and BBA programmes at Majlis Arts and Science College (Autonomous) is primarily due to the academic preference of most students to pursue higher education immediately after graduation rather than seeking immediate employment. A large proportion of BCA students continue their studies in MCA or M.Sc. Computer Science programmes, while many BBA graduates join MBA and other professional management courses to enhance their qualifications and career prospects. This reflects a deliberate choice by students who aim for higher positions and long-term career growth instead of entry-level placements.

The college, through its Career Guidance and Placement Cell, provides training, internships, and placement opportunities but also supports students' aspirations for academic progression. Many graduates have secured admission to reputed universities and professional institutions across the country and abroad. Hence, the lower placement figures do not indicate a lack of employability; rather, they represent a positive trend of students choosing higher studies as a strategic step toward better career advancement.

18.17 Research Projects / Consultancy Works

As per earlier regulations of the University, research centers were allotted only to Government and Government-aided institutions. However, the University has now decided to extend recognition to departments of self-financing colleges as approved research centers. In light of this development, Majlis Arts and Science College has initiated

necessary procedures to obtain recognition for its Department of Management and Department of Computer Science as approved Research Centers under the University of Calicut.
