As a part of providing quality education to the rural and marginalised section of the society, Majlis Arts and Science College has always focussed on the professional and academic excellence of the faculty members. The institution has developed a strong Faculty Development Policy since its establishment in the year 1995. The Faculty Development Policy of the college is

- To excel the quality of teaching learning system by enriching the professional excellence of the faculty members.**
- To integrate new technologies into the teaching-learning process so that the faculty members are familiar with the new trends in this field.**
- To establish the faculty development centre to fulfil the above requirements.**
- To rename the FD centre as Majlis Tea get the guidance of the experts from Teaching Learning centre of IIT Madras for the proper functioning of the centre.**
- To get eminent academicians from institutes like IIT,NIT,Central University and other University centres to interact with the faculty member.**
- To organise programs on Outcome Based education , Flipped learning , IPR, Research methodology and ICT enabled teaching.**

- ① **To provide short term courses on Academic management and leadership to the faculty members.**
 - ② **To equip the teacher to adopt changes or paradigm shift in teaching learning methodology to face the new challenges due to technological advances.**
 - ③ **To provide incentives to faculty members for attending Faculty Development Programs in and outside the institution.**
 - ④ **To extend the programs organised by the teaching learning centre to the faculty members of the neighbouring institutions also.**
-
