Objectives of the Policy:

Learning process is incomplete without values. Ethics and value system has been integral part of our national education system since India became an independent country and our National Educational Policy-2020 had given greater emphasis upon the VBE. MHRD as well as higher education bodies encourage educational institutions to incorporate values and ethos associated to human progress. Human values and universal anthropocentric principles encouraged by all religions and forwarded by intellectual renaissance movements are incorporated in the academia, code of conduct, character building programs etc. Defining disciplinary parameters and social manners influenced by constitutional morale, principles, International covenants, UNO proceedings, ideologies and nuances constructed by intellectuals, thinkers and scholars. Majlis Arts & Science College had incorporated the basic human values, covenants and nuances in its all education system to all stakeholders. Various policies, cells and bodies have been founded for the smooth implementation of the VBEP at the college. Under the head of the institution, the Principle using various statutory bodies, strict implementation, observation and supervision is carried out as well at the management level.
