College NSS unit prepared a Dhatriic stem cell registry for stem cell donation on 06-03-2020 and built a rapid action task force for disaster management activities on 18-03-2020.

The college closed due to the lockdown declared by Govt of India and switched

over to online mode of teaching-learning process with no time. Teaching Learning centre of the college conducted training sessions to our faculty members on flipping of classes and blended teaching in the pre-covid-19 period itself.

CEO of FLAIR Kerala Dr. Ratheesk K conducted a workshop on “Technology integration in teaching”.

The college e-CDC and TLC organized a FDP on Virtual Teaching Learning process for technology empowering of teachers and familiarizing LMS.

Multimedia Department also conducted online certification course on Newspaper Journalism in April-2020.

The college council meetings, HOD meetings, Staff meeting, IQAC meeting and College Management Committee meetings were held in Zoom, Google meet and CISCO Web EX online mode.

During the academic year 2019-2020 was a begin of new normal. Our staff and students were fully equipped to take the challenges put forward.

By Covid-19 pandemic NSS volunteers made masks and donated to Kalpakanchery police station. PG department of Chemistry prepared sanitizers and distributed in the college neighbourhood. Multimedia Department prepared hundreds of digital posters to make people aware about the Covid-19 precautions.

I would like to express my deep sense of gratitude to all teaching, non teaching staff, students, parents, alumni and management for their collective support given to us for facing the new challenges.

Thank you,

Jai hind

Dr.P.Mohammedali
Principal
